

Mission Action Plan

2019-2023

St Michael with St Mary

*Living God, we pray for growth in St Michael's and St Mary's:
make us effective evangelists,
deepen our spirituality,
and strengthen us for service,
in your name and to your glory.
Amen.*

What is MAP?

Mission Action Planning (MAP) is a framework encouraged by the Diocese of St Albans for helping churches to grow in

- (a) **spirituality** - Going Deeper into God
- (b) **numbers** - Making New Disciples
- (c) **service** - Transforming Communities

These priorities reinforce one another: we need all three. They are core to any church. Growth and mission are essential to the Church in every age.

'Mission' is not the same as 'evangelism' – but evangelism is part of it.

The Anglican Communion recognises five **Marks of Mission**

- To proclaim the Good News of the Kingdom
- To teach, baptise and nurture new believers
- To respond to human need by loving service
- To seek to transform unjust structures of society
- To strive to safeguard the integrity of creation

The first Mark of Mission is evangelism. This corresponds with (b) above – growth in numbers; the second Mark is roughly the same as (a) – growth in spirituality; Marks 3-5 are aspects of (c) – growth in service.

The trustees of St Michael's and St Mary's are the Parochial Church Council (PCC). Together we place the highest priority on leading the parish in all aspects of mission. To help us do this we have:

reviewed and celebrated our old MAP (2014-18)

- what have we achieved; there is a significant amount on which we can build
 - MAP is a continuous cycle
- what have we not achieved (and why)
- what have we achieved that was not in the 2014-18 MAP

reviewed our context - the opportunities and needs of the parish

- our geography – who lives, works, studies, and moves through the parish
- the input invited from all parishioners through a survey which accompanied our 2017 Christmas publicity

established targets for 2019-23

The MAP needs to be owned by all members of St Michael's and St Mary's if together under God's grace we are going to fully realise its potential to help us grow. The MAP will be managed by the PCC committees. Targets are listed under each committee on the pages which follow.

Mission and Community Committee Targets

Target	What?	How?	When?
School Links: St Michael's Primary	Refresh relationship with PTA	Link to PTA; more visibility on Parentmail; monthly link to Parish Magazine; list services on website	By end 2018-19 academic year
	Welcome Pack to new pupils and parents/carers	Info bundle about church and welcome card; annual welcome service; explore Christingle service for whole school	By end 2019-20 academic year

- through Halls Administrator, promote and recruit new hirers to the Schoolroom - raise income from £4K to £10K p.a. within three years of toilet installation

Reviewing indoors

- dilemma - it is hard to attract to 'ordinary' evensong, yet this is much appreciated by the core
- what can we learn from those services which have seen good numbers in recent years? i.e.
 - ◇ Christmas, Easter, Animal
 - ◇ services such as the 'stretching' Seven Churches sermon series
- need a Unique Selling Point

Connecting outdoors

- be more effective in promoting St Mary's as a venue, including for weddings
- establish and improve links with existing community events including Childwickbury Arts Fair, Childwickbury Christmas Market, Easter Monday Pilgrimage
- consider how we can strengthen and encourage further development of the Friends of St Mary's

Where do we go from here?

Our MAP is a **collective document**. It has been written by us all and for us all. Everyone in the parish has had a chance to contribute and we all need to own it if together under God's grace we are going to fully realise its potential to help us grow. So please retain this document; get involved or respond enthusiastically when asked to lend a hand; pray for its progress; and celebrate in years to come what it has been possible to achieve.

Our MAP is a **working document**. As we move through the next five years, some targets may become unattainable - or new and unforeseen opportunities and needs may open up. Listing what we would like to be doing also invites us to consider whether our current activities are still worthwhile: some things may need to stop in order to do more in other areas. The simple benchmarks for any proposal will remain where we began on page 3: might it deepen our spirituality, make new disciples, or transform our community?

*Living God, we pray for growth in St Michael's and St Mary's:
make us effective evangelists,
deepen our spirituality,
and strengthen us for service,
in your name and to your glory.
Amen.*
